

## Board of Higher Education & Campus Ministry Program Grant Application 2013-2014 Funding

**Overview:** The Western Pennsylvania Annual Conference Board of Higher Education and Campus Ministry has limited funding available to assist campus ministry units in program funding. Program funding could include program activities such as field trips, gatherings, materials, and supplies. While these grants are generally not intended to be used for salary support, they may be used for work-study scholarships for students who assist in the ministry function. It is anticipated that grants for this year will be in amounts less than \$1500.

**Funding Preferences:** The Board's funding preferences are for the following:

1. United Methodist ministries.
2. Ministries located within the Western Pennsylvania Annual Conference geographical area.
3. Ministries functioning within a local United Methodist church and serving as a bridge between the students and the local church congregation.
