METHODIST EPISCOPAL – PITTSBURGH CONFERENCE

Mailing Address: 4146 Arnold Avenue, Lower Burrell, PA 15068-2255

Location: Located at 4146 Arnold Avenue, in the village of Braeburn four miles north of Arnold, along the Allegheny River in Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. The Braeburn Methodist Church was erected in memory of Isabel and R. Parks Arnold. The ground was given to the congregation as a memorial to these people. The Church was established in May 1905 by Reverend John Lane Miller and was known as Memorial Methodist Episcopal Church. The first pastor was Reverend John Lane Miller. Trustees were Jacob Artman, Harry Dougal and Milton Rice. Of interest to individuals delving into the history of the Church is the big bell in the belfry. The bell was used for many years on the McBride farm in Loyalhanna Township, Westmoreland County. The bell was given to the church in 1921 with the understanding that should the congregation have no further use for it, that it would be returned to the McBride Brothers. But to this day the worshippers anticipate the tolling of the big farm bell on Sundays. In 1943 a basement was added to the Church, the work being done by the parishioners, for a much needed Children's Department. A well-equipped kitchen was installed at that time. In 1947 a new roof was needed and the outside of the building was covered with insulbrick. A new railing was placed on porch and steps. In 1961 the interior of the Church was completely remodeled. In 1968 the exterior was remodeled. A complete installation of aluminum siding was added and a gold illuminated Cross was erected in front of the steeple. A stone bulletin board was set on the church lawn. The basement entrance was enclosed by new aluminum doors. The sanctuary was carpeted wall to wall in 1969 and new sections of drapes have been added to the Sunday school rooms. The membership in 1968 was 293 and the membership on January 1, 2003 was 112.

History: Methodist Episcopal – Pittsburgh Conference. The Society was organized in January 1886, at a meeting in Sager's Hall, above a grocery store. The meeting was in charge of Reverend Richard Muse, a Local Preacher from the Dravo Methodist Church, located two miles north of Buena Vista, and C. E. "Uncle Eddie" Heisterman, a dedicated leader of the church for many years. In the fall of 1886 the Pittsburgh Conference of the Methodist Church granted their petition for a place in the Conference and it became a preaching point on the Dravo Charge. The original Church built and dedicated in 1892. The land for the building was given by Mr. and Mrs. William A. Bell and the balance of the debt on the building at the time of the dedication was paid by them. In appreciation of their generosity and dedicated services, the Church was named Bell Chapel. History: Methodist – Pittsburgh Conference. The Board of Missions of the Pittsburgh Conference purchased land for a church for this area on December 17, 1958. The first regular worship service was held on April 9, 1961 in the home of Mr. and Mrs. Raymond Kelley. Mr. Kelley was the son of Reverend Elijah Wilson Kelley, a minister in the Pittsburgh Conference. At the Conference in June 1961, Reverend Robert Fox Richards was appointed as the first pastor. He, too, was the son of one of the conference ministers, Reverend Nicholas F. Richards. The Church was formally chartered on October 8, 1961 with 69 members. For a period of two and one-half years, the congregation met in a chapel in the basement of the Parsonage. On May 10, 1963, the ground was broken for the first unit of the church and it was used for the first time on Sunday, December 22, 1963. On Sunday, May 5, 1968, all indebtedness on that building was cleared and that afternoon, ground was broken for a Christian Educational Building. It was completed in the Summer of 1969. The 1968 membership was 330. The membership on January 1, 2003 was 909. The new building was consecrated in 2006.

History: Methodist Episcopal – Pittsburgh Conference. Organized as a class with Alexander Watson as leader in 1852, meeting in a building known as Clay Pike and Robbins Station Road. Due to rapid growth, a church was soon organized to become part of the Miller Circuit. The First building was erected in 1872 and temporarily given the name MacFarlane Church. In March 1950 the original structure was totally destroyed by fire, just 3 months after dedicating renovations at the church. A new sanctuary was erected and consecrated in 1953. In June of 1964, Circleville Church became a Station charge after many years on a circuit with Miller Chapel. In the face of continued growth, new building plans were begun in 1965, and in December of 1968, consecration services were held for the new Christian Education facilities, narthex, foyer and a remodeled chancel. In 1985 the newly remodeled sanctuary, fellowship hall, kitchen and entrance were dedicated. The 1968 membership was 479. The membership on January 1, 2003 was 444.

History: United Methodist – Western Pennsylvania Conference. Faith United Methodist Church in Delmont had existed in some minds for 40 years or more as a necessary part of Christ's Ministry in Delmont. During the year of 1984-1985, The Greensburg District United Methodist Church Council on Ministry began to concretely work toward the fulfillment of this vision. An extensive study of the Delmont area was done utilizing the research talents and experience of Christian Associates of Southwest Pennsylvania, an ecumenical organization of the Pittsburgh Area. It was noted that we had no United Methodist Church between Murrysville to Blairsville on Route 22 and from Greensburg to Vandergrift on Route 66. Delmont was the perfect center or hub for a new church. In March 1985 members of the Murrysville United Methodist Church worked with the churches of the Delmont area on a cooperative Community Survey. It was determined that the fourth largest denominational preference was United Methodist, even though no United Methodist Church currently existed in Delmont. In March 1986, Bishop James Mase Ault assigned Reverend Deryl Kent Larsen to the Delmont area. Arrangements were made with the Delmont Borough Council to rent space in an abandoned school building, which the Borough owned. Reverend Donald James Joiner, Superintendent of the Greensburg District United Methodist Church joined Reverend Larsen to hold the first worship service on Sunday, June 1, 1986. One hundred and ten persons attended the first service. On April 14, 1986 a down payment was made on a parsonage at 38 Buena Vista Drive at the corner of Clover Drive in Delmont. On Palm Sunday 1987, the congregation voted unanimously to purchase the Walter's property on Freeport Street. The congregation moved into the new church sanctuary on Christmas Eve 1989. Consecration services were held on Sunday, January 28, 1990 with Reverend Gerald Allen McCormick, Superintendent of the Greensburg District, Bishop George Willis Bashore, Reverend Donald James Joiner, former Greensburg District Superintendent, Reverend Stephen Elwood Cupcheck a retired Methodist Minister, Rev. Location: Located on the banks of the Youghiogheny River along the Pittsburg and Lake Erie Railroad in Allegheny County, PA.

History: Methodist Episcopal – Pittsburgh Conference. The Dravo church was established in 1824. It dates back to the old Redstone Circuit. A building built in 1864 was destroyed by fire on July 18, 1920. The building burned to the ground but some contents were saved. It was located along the Pittsburg and Lake Erie railroad tracks and it was a spark from one of the engines which is thought to have started the blaze which ended in the destruction of the edifice. At the time it was established and for years afterwards, the church flourished and was a power in the community. Its membership dwindled and in 1920 the membership was about 50. The church was not rebuilt due to loss of membership.

The congregation worshipped in the German Lutheran Church until 1901. The Lutheran Brethren complained that "The Methodist sing so loud that they are sure to crack the plaster on the walls." The Church met from 1901 to 1902 in a clapboard building built by the members of the church. In June of 1902 the first permanent building was dedicated. It was used until November 1962. On November 5, 1962 the Congregation moved into a new building which is located on the site of the former Methodist Home for the Aged of the Pittsburgh Conference known then as the Hamilton House for the Aged Persons. EVANGELICAL UNITED BRETHREN – WESTERN PENNSYLVANIA CONFERENCE

1893-1969

Location: Located on the East Side of Pittsburgh, near Turtle Creek, Allegheny County, PA.

History: Evangelical United Brethren – Western Pennsylvania Conference. In November 1893 Reverend J. M. Leshar, pastor at Wilmerding, organized the East Pittsburgh Class with four members to which five more were added early in December. Permission was obtained to hold services in the Oak Hill School House and here the new Class worshipped for one year. Trustees for Brinton, as the Class was then called, Reverend T. P. Orner, Presiding Elder; Doctor Norris Cameron, of Pitcairn; E. M. Gross, of Greensburg; Reverend J. M. Leshar, and Elmer Miller. With the aid of the conference church extension society the new church was secured August 15, 1894, and a chapel erected and opened for service December 9, 1894. Steps were taken May 14, and the first United Brethren Church of East Pittsburgh was incorporated April 18, 1896 with Dr. A. E. Roose, N. H. Meyers, G. W. Mackey, G. W. Grubbs, and Reverend J. M. Leshar as trustees. In 1897 Reverend A. L. Funk became pastor and in four days began the building of a parsonage of six rooms. In 1898 the chapel was greatly improved and the tower was added. John A. Glant presented a bell which was later exchanged for a larger one. On March 8, 1901, the interest bearing debt was paid in full. In 1900 East Pittsburgh was separated from Wilmerding and made a station. A Sunday School room was built and dedicated December 1, 1901, by Dr. S. W. Keister, Presiding Elder. The next year the auditorium was completed and the whole church was formally dedicated by Dr. W. R. Funk, October 18, 1903. It cost \$15,000. Reverend J. T. Farnsworth and D. M. Spangler entered the ministry from this church. In 1968 the membership was 154 and was on a two point Charge with Wall. It closed in 1969. Transferred from Pittsburgh East District in 2004.

History: Methodist Episcopal – Baltimore Conference. The church had its beginnings with circuit riders from the Baltimore Conference serving the Pittsburgh Circuit until the Pittsburgh Conference was organized in 1825. The congregation grew out of class meetings held in the home of Samuel Bushfield in 1799. Services were held in homes or public buildings until 1833 when the first church building was constructed. Two years later a Sunday School was organized. Growth necessitated a larger building which was dedicated in 1852. This was remodeled and enlarged in 1885. Construction started on the new building in 1905 with dedication occurring in 1907. This building was remodeled in 1930. A fire destroyed the sanctuary in 1933, and this was immediately rebuilt in early English Gothic. Extensive remodeling and expansion began in 1959 and was completed in 1962. The church became part of the Connellsville Circuit in 1816, Uniontown and Connellsville Circuit in 1840 and the Greensburg Circuit in 1851. The church became a Station in 1855. The Pittsburgh Annual Conference was hosted here in 1868 and 1890. The membership in 1968 was 2129. The membership on January 1, 2003 was 1856.

History: Methodist Episcopal – Pittsburgh Conference. The first record of the Harrison City church appears in the minutes of the Circleville Charge, April 12, 1856. Later the church was on the Irwin Circuit, the Penn Circuit and the Manor Circuit, where it remained until 1960. This small village church was dropped from the Manor Circuit in 1960, and there was little hope for its future. In May 1960 Dr. William Leroy Hogg met with a group of people from the community who were interested in beginning a new church. He quickly saw the potential of the growing community and its need for a new church. Dr. Hogg had just completed his term as District Superintendent of the McKeesport District and had entered the retired relationship. He asked to be assigned to the Church. Under his leadership ground was broken on May 14, 1961. On April 8, 1962 the new church was consecrated by Rev. Dr. Edward Louis Boetticher, District Superintendent. The new church, the property and the parsonage were valued at \$140,000. By 1964 the membership of the church had grown to 275 members. Having built a fine church Dr. Hogg again went into the retired relationship and Reverend Edward Shirley Hammett was assigned to the Church. The growth of the church has continued at a rapid rate with 580 members reported in the 1968 Journal and the membership on January 1, 2003 was 1369.

Location: Located at the corner of Oak and Third Streets in the Borough of Irwin in Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. Organized in 1860 by Reverend William Page Blackburn, pastor at Circleville, Miller and Harrison City Circuit. Two lots were bought in 1860. A one-room wood church was erected on South East corner of Main and Third Streets in 1861. There were 12 members. The name of the Circuit was changed from Circleville to Irwin Station Circuit, composed of the same four churches in 1863. In 1870 Irwin Station became a separate Charge. The first Parsonage was built adjoining on Third Street in 1870. It was incorporated as “Irwin Station Methodist Episcopal Church” on July 10, 1870. A brick church built in 1889 replaced the outgrown wooden church. Andrew Carnegie gave a Pipe Organ in 1901. The word “Station” was dropped from the name in 1911. Lots were purchased at Walnut and Fifth Streets in 1919, for a buff brick parsonage which was occupied in 1922. Lots were purchased at Third and Oak Streets in 1926 for a new stone church. The Cornerstone was laid on June 10, 1928 and it was occupied on April 7, 1929 with educational unit, parish hall, parlor, offices and tower. A long financial struggle followed. In 1942 the old church property was sold and in 1947 all the debts were cleared. A Sanctuary Savings Account was instituted in 1946 and an architect was employed in 1955. The new sanctuary seats 750 and was consecrated on October 5, 1958. Sanctuary indebtedness was cleared in October 1965. Lots were purchased on the south and west sides for parking space and extensive remodeling and renovation in 1965-1966. The membership in 1968 was 1723. The membership on January 1, 2003 was 981.

History: United Brethren Church - Allegheny Conference. At a meeting of the Allegheny Conference, which convened in 1902, Reverend E. F. Wriggle was assigned to the New Florence Charge with instructions to investigate Latrobe as a possible opening and if justified to establish a preaching place there. In October the pastor and Reverend S. W. Keister, Presiding Elder, canvassed the community and found the entire fifth ward to be without a church. This Church was known Oakville or South Latrobe. It was thought that this part of the town was the most promising as well as the most needy. It was not until 1903 that any meetings were held. The first service was held April 12, 1903 in the school house. At the Conference of 1903, Latrobe, Kingston and Bradenville were made to constitute the Latrobe Mission. The church was built and dedicated January 29, 1905, by Bishop J. S. Mills. The cost was \$10,656.86. The church has sent out as pastors: Charles Yates, P. F. Mickey, C. H. Rhodes and John Hudock. Extensive changes were made, resulting in a rededication March 10, 1963. At the merger in 1970 there were 629 members. The membership on January 1, 2003 was 600.

Location: Located in the village of Luxor, four miles east of Greensburg in Hempfield Township, Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. In March 1892, on land donated by John Lentz, Sr. ground was broken for this church, with the men of the community digging the foundation. Existing charter members believed that the contract for erection was given to Dave Wentling of Greensburg about the same time Harry Wible was engaged in constructing most of the houses that now are a part of Luxor. The work progressed rapidly under the inspiring supervision of the Reverend John McGuire and on June 9, 1892 the cornerstone was laid by Reverend Sherman W. McCorkle; however it was a year until the church was completed. The dedication was held June 8, 1893. During the year 1923 four Sunday School class rooms were added under the leadership of Reverend Lester Allen White. The rededication message was delivered by Judge Snyder of Greensburg, and the mortgage was burned. It has been on various Circuits and in 1943 became a part of the New Alexander-Luxor charge. In 1989 it was placed with Greensburg: Trinity and in 1994 it became a separate appointment. At the union in 1968 the membership was 104. The membership on January 1, 2002 was 170.

A parsonage was erected during the pastorate of Reverend Jesse Erastus Billings 1907-1910. Through the years the gas heat was installed, an organ installed and aluminum siding put on the church and parsonage. In 1963 the adjoining lot was bought, the building razed and the lot made into a parking lot. In 1967 substantial improvements were made to the church and property. History: Methodist Episcopal – Pittsburgh Conference. Originated in the Fall of 1871 by invitation to the pastor of the Penn-Harrison City Charge to preach in the school house at Manor and on January 20, 1872 the Fourth Quarterly Conference for the Charge was held at Manor. Thus began an association of these three churches (interrupted for only one year 1893-94, when the emerging Church at Pitcairn replaced Penn on the Charge), that lasted until the separation of Penn in 1952 and Harrison City in 1960, thus establishing Station status for all three churches. Manor's first Church building of one room was dedicated in November 1873; the new two-story building was dedicated in April 1923. In 1965 an adjacent eight-room house was purchased to provide additional educational facilities. Through the years Manor has contributed at least three young men to the Christian ministry, also one Conference Youth Fellowship President. Her ministers have assisted in the establishment of several other churches, most notably Jeannette and Pitcairn. In 1968 the membership was 254. The membership on January 1, 2003 was 186.

History: Methodist Episcopal – Pittsburgh Conference. Grew from a Sunday School Class started by David Parker, Sr. and William Gleason in April 1889, under the ministry of Reverend Ernest Bell. A new plan of building lots known as the Beulah Park Plan had been laid out in a part of what was then Versailles Borough. The closest church was in McKeesport and Mr. Parker and Mr. Gleason realized the necessity of a local church as a meeting place for the young people. Forty children met and worshipped for the first time in an unfurnished building. The meeting place soon became inadequate to accommodate numbers of children and adults that attended services each Sunday. The Charter date was on September 24, 1889 and the first church building was dedicated on October 12, 1889. It was built on ground donated by William G. Gleason and F. S. Gleason. From 1889-1904 the church was on a circuit with Christy Park and Elrod (now Versailles) Methodist Episcopal Churches. It became a station appointment in 1904. The church was extensively remodeled in 1927, 1937 and 1950. In 1941 an educational wing was added: and a new sanctuary and other educational facilities were erected and consecrated on June 25, 1961 under the ministry of Reverend William George Morris. During this time a parsonage was purchased. The mortgage was burned and a dedication was held on November 4, 1973 with 830 members. In 1976 the woven dorsal tapestry was hung behind the wooden cross in front of the sanctuary above the altar. It became the focal point of the church. The membership on January 1, 2003 was 423. Transferred from Pittsburgh East District in 2004.

History: Methodist Episcopal - Washington Conference - Central Jurisdiction. In 1920 Bishop W. F. McDowell called Reverend Dr. C. Y. Trigg, pastor of Warren Church in Pittsburgh; Reverend J. E. Dotson, pastor of John Wesley Church in Washington, PA. and Dr. W. A. C. Hughes, Secretary of the Bureau of Negro work to meet him in Pittsburgh to devise plans for the better spiritual nurture of Negro Methodists moving to Allegheny County. A new Pittsburgh District of the Washington District was created with Dr. C. Y. Trigg as Superintendent. Dr. Trigg located a group of Methodist without spiritual care in McKeesport and on December 2, 1920 organized seventeen persons into the Calvary Methodist Episcopal Church. The meeting was held in the home of Mr. and Mrs. George Salley at 1807 River Street. The newly organized group secured the use of the basement of the Pentecostal Church at Locust Street where they worshipped during the winter. During 1921 the group raised \$2,000, which, together with a donation of \$4,500 from the Board of Home Missions and Church Extension, was used to purchase a church building at 822 Jenny Lind Street on November 4, 1921. This building was condemned in October 1968 and in the summer of 1969 the congregation moved into the former Ballentyne building. At the dissolving of the Washington Conference of the Central Jurisdiction in 1964 this congregation and pastor became members of the Western Pennsylvania Conference. The membership on January 1, 2002 was 194. Transferred from Pittsburgh East District in 2004.

History: Methodist Episcopal – Pittsburgh Conference. A few of the early residents of the farm community which is now Christy Park decided to accept an offer from J. B. Christy, trustee of the land company, to give two lots to any person or group of persons who would purchase two additional lots on which to build a church. In the fall of 1887 the ground for the church building was broken and in 1888 the structure was dedicated as the Christy Park Methodist Episcopal Church. The Reverend James Harry Null was assigned as pastor of the Versailles and Christy Park Churches in 1888, thus beginning regular services. In 1923 the Christy Park Church became a Station. Additions include a parsonage, built in 1915, an educational unit and remodeled sanctuary in 1958. Christy Park became a two point Charge with Buena Vista: Bell Chapel on January 1, 2001. History: Methodist Episcopal – Pittsburgh Conference. A Class was organized by Reverend Jacob Keiss Miller on the Braddockfield Mission Circuit in 1832. In 1840 Ephraim Shannon and John Walker held prayer meetings and a class of twelve members were related to the Miller Circuit. First building was erected at Market and Fifth Avenue in 1843. In 1846 a larger two-story brick structure was erected on the same site. McKeesport first appears in the lists of appointments in 1847. A larger building was constructed in 1876 at the corner of Walnut and Penney Street. Reverend William Brown Watkins was the pastor. In the early morning of July 11, 1924 this high steepled church burned down. Congregation worship in First Baptist Church and then the YMCA. On July 28, 1924 approval was given to purchase the YMCA athletic field and to build a new structure. The corner stone was laid October 4, 1925. This stone, gothic structure was opened for services September 12, 1926 and dedicated November 21, 1926. Reverend Lemon Dorsey Spaugy was pastor at the time. During the depression years heavy indebtedness placed extra burdens on the people. Dr. Thomas R. Courtice served ably as the pastor and leader from 1931-1940. Under the long effective pastorate of Reverend Dr. Joseph Dushane Piper from 1940-1959 the mortgage was paid and the membership reached in the year of 1958 a total of 1872. In 1950 bus transportation to and from the Green Valley area won some 65 families. They in turn desired to establish their own Church. On May 24, 1964 a charter was granted to the Green Valley Methodist (Community) Church with 125 members transferring from First Church. A similar release of First Church members was made to Central Highland Methodist Church and also to the Coulter Methodist Church within recent years. When the Coursin Street Church of McKeesport faced redevelopment plans projected by the city of McKeesport, the building was sold and the congregation carried on its work for six months in First Church. It finally voted to merge with Ballantyne Church, McKeesport in December 1965. When the building of Calvary Church, McKeesport was condemned in June 1967 the congregation carried on its work in First Church through August 1968. Renovation of the Chapel of the church took place in 1965. First Church has been host several times to the meeting of the Pittsburgh Annual Conference. History: Methodist Episcopal – Pittsburgh Conference. During the winter of 1837-1838 members of the Methodist Church at Greenock held prayer meetings along the turnpike. George Miller donated a tract of land for a Church and cemetery. The first frame church building was probably erected in 1838. The brick building was constructed on a tract of land purchased from Mr. and Mrs. Alexander Pearson in 1867. At that time it was part of a Charge that included the Circleville, Harrison City and Irwin Churches. From 1878 until 1964 Miller was a part of a two-point charge with Circleville. In 1964 it became a Station. Improvements were made to the Church building in 1897; then in 1941 the full basement was excavated. Other renovations were carried out in 1965, and a new parsonage was purchased in 1966. Miller and East McKeesport were a two point Charge 2002-2003, then Miller was placed with Turtle Creek: Electric Heights. The membership on January 1, 2002 was 192. Transferred from Pittsburgh East District in 2004.

History: Methodist – Pittsburgh Conference. Monroeville is a new fast growing community located east of Pittsburgh where the Pennsylvania Turnpike and the Parkway East intersect. The Pittsburgh Conference, realizing the population explosion in this area purchased 2.7 acres of land on July 3, 1954, on which to build a church. In October 1954, Robert Willis Geisinger, a student minister was assigned to the church and worship services were held and a Sunday school was organized. On February 13, 1955, the Service of Church Constitution was held. Bishop Lloyd Christ Wicke presided. For three years the congregation met in a little building which measured 13 by 29 feet. Church School was held in an old farm house located on the property. On December 20, 1957, the congregation moved into its new church buildings-the first of four proposed units. A second unit was consecrated on February 12, 1966, with Dr. W. Sproule Boyd, District Superintendent, presiding. The two units have a value of

History: Methodist Episcopal – Pittsburgh Conference. An outgrowth of the Braddock's Field Mission in 1832, with Reverend Jacob Keiss Miller as the missionary. This Mission embraced the territory between the Monongahela and the Allegheny Rivers for fifteen or twenty miles out from Pittsburgh. Reverend Charles Elliott and Reverend Wesley Browning, the preachers on the Pittsburgh Station in 1831, made a preliminary preaching tour of the region in 1831 and laid out the beginning of the Mission Circuit. The preaching place located in Murrysville was in the home of General Jeremiah Murry. In 1832 land for a church was purchased from General Murry and on it the first church building was erected in 1836. The second house of worship was built in 1868. In 1912 a parsonage was built in Murrysville for the Circuit. In 1912, under the leadership of Reverend Everette L. Pierce a new lot was purchased and in 1913 the new church building was dedicated. This structure was enlarged in 1958 during the ministry of Reverend Parker Wesley Large. The church was on different circuits, the last being with Sardis until 1959 when it became a Station appointment. An educational unit was added in 1965. In 2000 the Church bought the old Post Office property next to the church and converted it into meeting rooms for educational and social purposes. The 1968 membership was 840. The membership on January 1, 2003 was 826.

History: Methodist Episcopal – Pittsburgh Conference. It has been impossible to discover when or how Methodism was first brought to New Alexandria, but we do know it was before 1876, when the new building was dedicated. Previous to this (from 1848) services were held in the little old brick church, which is still standing on Gay Street and is now occupied as a dwelling. New Alexandria was on the Saltsburg Circuit 1881-1886; on the Livermore Circuit 1894-1902; then with the Jamison Circuit 1903-1917 or 1918, since then it had been independent until 1943 when it became the New Alexandria/Luxor Charge. In 1989 it became a station appointment until 1995 when it became the New Alexandria/Saltsburg Charge. The membership at union in 1968 was 196. The membership on January 1, 2003 was 167. Transferred from Greensburg District in 2004.

History: Methodist Episcopal – Pittsburgh Conference. Methodism began in the New Kensington area with the organization of the Bethel Church in 1843; Mt Hope (Braeburn Heights) in 1859; and Parnassus in 1869. In Parnassus services were held in the brick Pennsylvania Railroad Station, which also served as Parnassus Academy during the week. The first pulpit was a bee hive. In 1869 Reverend John T. Riley was appointed to the Circuit. That year a frame building 35 x 50 was built and used first the same year on Thanksgiving Day. Parnassus became a separate charge in 1886 and in 1893 moved to New Kensington forming First Church. A frame building was built in 1893 and the new brick building in 1889. Improvements were made in 1930 which enlarged the building. An educational unit was added and complete interior remodeling began in 1961. The “new” church was dedicated June 1966. In 1902 a church building was erected with the help of the Keystone Coal Company. Since that time they have put in new windows, added aluminum siding, a new roof, plastered the walls, painted the inside, tiled the basement, put in walks and steps and added rest rooms and water. They also added an organ, church hymnals, bulletin board and the pulpit chairs. Since 1963 a cross and candles were purchased for the altar along with altar scarves, flower stands and new Sunday School Hymnals. The coal furnace was replaced by an oil furnace. The circuit has changed to just Madison and New Madison in the 1960's. It was later placed with Middletown to become a two point charge. The membership in 1968 was 94. The membership on January 1, 2003 was 84.

History: Methodist Episcopal – Pittsburgh Conference. On April 9, 1878 an assembly of Methodist and Presbyterian citizens of Coulterville took action to purchase Coulterville School House. They remodeled it and called it the Coulterville Union Chapel. In order to obtain an appointed minister, on July 17, 1894, the Methodists purchased full interest in the Chapel. Reverend David Dayen, pastor of the Coulter Church, organized a new congregation, which took the name Christ Church, in 1964, in the Knights of Columbus Hall. The two congregations merged to build the new Christ Church in 1965. Ground was broken for the new Church October 31, 1965, and it was consecrated June 12, 1966. The membership in 1968 was 257. History: Methodist Episcopal – Pittsburgh Conference. At the urgent request of several members of the Verona Methodist Episcopal Church who resided in Oakmont, Reverend Nathaniel P. Kerr called a meeting in the “Upper School House” on January 17, 1892. Approximately 150 people attended and a Methodist Episcopal Sunday School was organized. On April 15, 1892 another meeting was held and those present voted unanimously to secure a lot and build a Church. On May 29, 1892 Reverend Kerr organized the Oakmont Methodist Episcopal Church with 54 members. Thus Methodism came officially to Oakmont and on July 18, 1892 the Church received its charter of corporation. A lot for the first building was purchased on Fourth Street August 5, 1892. The School Board notified the Church that they could no longer use the Public School for purposes of worship, thus the Tabernacle in the Grove was built on the rear of the lot of Fourth Street. The congregation worshipped in the tabernacle until cold weather when a building known as “Red Onion Saloon” on Hulton Road provided them with a place for worship. The Church building was completed and dedicated on July 23, 1893. This first church served the congregation well for twenty years and then became inadequate. On August 8, 1912 it was decided to sell the building to a Lutheran congregation and to purchase the lot on the corner of Maryland Avenue and Fifth Street. In 1988 the Verona: John Wesley Church merged with the Oakmont United Methodist Church. The new building was dedicated on November 5, 1916. The membership in January 1, 2003 was 525. History: Evangelical United Brethren – Western Pennsylvania Conference. In the late 1950's the Evangelical United Brethren Church's Board of Missions decided the rapidly developing area of Penn's Woods, Markvue Manor and Overholt Acres needed a church to minister to the needs of the community, so they started the Penn's Woods Church as a Mission Church. On November 18, 1959 Reverend and Mrs. John F. Springer and family (Steve, Joyce Ann and David) moved into Penn's Woods, becoming the sixth family to live there. On December 13 1959, the first church service was held in the old farmhouse that was located near the current Penn's Woods Civic Association building. Nineteen persons attended. On January 14, 1960 the first service was held in the temporary chapel in the garage of the new parsonage. On March 6, 1960 thirty-three first charter members were received into the church membership and on April 30, 1960 they closed out their first conference year with 45 members. Ground was broken on October 9, 1960 for the first unit of the Penn's Woods Evangelical United Brethren Church. On their first anniversary, December 11, 1960 there were 81 members reported for the year. The corner stone was laid on April 9, 1961, with Reverend Clyde Dietrich, conference superintendent of the East District; Dr. Harry J. Fisher, superintendent of the West District; Mr. John Garlic, contractor, Mr. Gordon Pierce, architect and Reverend John F. Springer, pastor, sharing in the service. This corner stone included a Bible, list of the charter members, History of the Church and a copy of the Telescope Messenger. The new church was dedicated on September 21, 1961 at a total cost of \$143,000 paid by the Evangelical United Brethren Board of Missions. History: Methodist Episcopal – Pittsburgh Conference. The year of 1892 marks the beginning of Methodism in Pitcairn, under the pastorate of Reverend Robert L. Hickman of Wilmerding. Meetings were first held in the homes and out of doors. The first charter was granted February 1893 as Walurba Methodist Episcopal Church. In October 1892 a lot was purchased for the sum of \$1.00 on which the first church was to be built. It was dedicated November 19, 1893. The dedication sermon was delivered by Reverend Charles Wesley Smith, then Editor of Pittsburgh Christian Advocate and who later became a Bishop. In the year 1906, the church burned to the ground. A new church was erected and was dedicated June 27, 1909 under the pastorate of Reverend Calvin Henry Reckard. He started with a membership of 267 and when he left six years later the membership had increased to 512. From the year 1892 to 2000, thirty two pastors have served the church. Location: Located at the corner of Highland Avenue and Third Street in the borough of Pitcairn in Allegheny County, PA.

History: United Brethren – Allegheny Conference. The Pitcairn church is a product of the Greensburg: Otterbein Church. Reverend J. M. Leshar, pastor of Greensburg, with Drs. W. R. Funk, H. F. That fall it was attached to Wilmerding, forming the Wilmerding-Wall Charge. The class was made a station in 1899. This building served the congregation as a place of worship until 1922, when under the pastoral leadership of Reverend T. M. Sharp, the new combined church and parsonage was built on the new site. The cornerstone was laid by Dr. J. S. Fulton and Mrs. Frank Leshar, July 9, 1922 and the completed church was dedicated by Dr. S. S. Hugh on Easter Sunday April 15, 1923. History: Methodist Episcopal – Pittsburgh Conference. This congregation evolved from two Sunday Schools started in the early 1900's. The one Sunday School was started by Mr. and Mrs. McPherson and met in the Dale Street School House; the other met in the G. F. Myer home or barn. Mr. Myer offered to provide two lots for a Church and Reverend John F. Murray, Presiding Elder, and T. D. Gardiner from McKeesport chose a site on Port Vue Avenue. The first church building was dedicated June 18, 1905. Port Vue received \$2,500 from the sale of the abandoned Sixth Street Methodist Episcopal Church in McKeesport. The Sixth Street congregation had been organized in 1881 and their church had been built in 1890. The new Port Vue Church, located about two miles from the original church site, was built in 1958-1959. It became a Station appointment in 1955. The first parsonage, located at 900 Morton Avenue, was purchased in 1960. This was sold in 1966 and a new parsonage was erected adjacent to the church. The membership on January 1, 2003 was 587. SARDIS METHODIST EPISCOPAL – PITTSBURGH CONFERENCE

GREENSBURG DISTRICT
184?-1967

Location: 4276 Saltsburg Road, Murrysville, on Route 286 between Holiday Park and Mamont, Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. The Methodist Society was organized as Sardis in the 1840's. On January 24 1848 Duncan and Marjorie Kieth deeded one-fourth of an acre of land where the cemetery was located for a church and the first Church building was probably built that same year. Originally was placed on Murrysville Circuit. The Sardis Circuit was created in 1875. In 1885 there were six churches on the Circuit: Sardis, Delmont, Merwin, Mamont, Davidson's Chapel and Murrysville. By 1910 all but Sardis and Murrysville were closed. In 1888 John and Elizabeth Masters gave an additional 159 spare rods of land besides the cemetery plot and the second Church was built on it that year. The carpenters were John Wallace and Samuel Hilty. In 1890 an additional eight acres of land was given to the church by the Davidson family and a parsonage was built on it. In 1912 this parsonage and property were sold and a brick parsonage was built at Murrysville for the Circuit. The church at Sardis declined during the first half of the 20th Century, but about 1950 commenced to grow again. In 1959 it became a separate charge. With the rapid development of the new Holiday Park Community during the 1960's, and the location of a new Evangelical United Brethren Church in the community, merger with the Holiday Park congregation began to be discussed. The merger of the two churches was consummated on October 1, 1967, before the Denomination Union of The Methodist Church and the Evangelical United Brethren Church at Dallas, Texas in April 1968. The last reported membership at Sardis Methodist Church in 1967 was 330 when the merger occurred. The Church was later sold to a private individual and then became the headquarters of Theotherapy Seminars, Inc. The Sardis Cemetery is still in operation.

History: Methodist Episcopal – Pittsburgh Conference. The South Greensburg church was organized in 1889. For several years prior to that time meetings were held in homes of members and in the school house. In 1890 the first building was erected between Coulter and Jamison Avenues on Poplar Street. An addition was added in 1909 and the building was used until 1924, when the congregation had outgrown it and a new church was built on the corner of Sheridan Avenue and Elm Street, on property, which was acquired in 1920. Prior to this, South Greensburg was on a circuit with Hecla and New Stanton. It became a Station appointment in 1924 and has remained a station since then. During the church's existence nine men and one woman who were members at one time went into full time ministry. The membership in 1968 was 660. The membership on January 1, 2002 was 349.

History: Methodist Episcopal – Pittsburgh Conference. The Church was an outgrowth of a mission Sunday School promoted in the new town of Trafford City by members of the Circleville Church. The group met first in Euwer's Hall on First Street, then in Cameron Hall. It first appears in the Conference appointment lists in 1903. In 1904, Reverend George Meade Dougherty was appointed it's first pastor. The congregation was organized on January 7, 1904 by Reverend Dougherty and the Reverend Silas Thayer Mitchell, Presiding Elder of the Blairsville District and its first frame Church was erected at the East End of Duquesne Avenue that year. Bishop Francis John McConnell consecrated the new brick church building on June 15, 1924, and the attached brick parsonage was built in 1929. The congregation struggled with a crippling indebtedness during the depression years of the 1930's, which was finally liquidated in 1945. A new parsonage was later purchased at 125 Belleau Wood Boulevard in Trafford, Pa 15085-1239. The membership in 1968 was 670. The membership on January 1, 2003 was 214.

History: Methodist Protestant – Pittsburgh Conference. A group of members of the McMasters Methodist Episcopal Church in Turtle Creek withdrew from that congregation and were organized into the First Methodist Protestant Church of Turtle Creek on November 1, 1895 by Reverend George C. Sheppard, President of the Pittsburgh Conference of the Methodist Protestant Church. A charter was secured on March 11, 1898. There were 70 members at that time. A site for the first Church at the corner of Eleventh Street and Airbrake Avenue was secured May 25, 1898, and a Church was erected on it that year. This property was sold to the Pennsylvania Water Company in 1937. The lots for the property on James Street were purchased by the Board of Church Extension of the Conference in 1936 and the first unit of the property was dedicated May 1, 1938. The name of the Church was changed to Electric Heights following the Methodist reunion in 1939. A new parsonage was built on the property in 1958. Starting in 1963, with the consecration service on June 14, 1964, the new building was erected and the older church was renovated. This church was a Station appointment from the beginning. The membership on January 1, 2003 was 169. In 2003 Turtle Creek: Electric Heights and Miller became a two point Charge. Transferred from Pittsburgh East District in 2004.

History: Methodist Episcopal – Pittsburgh Conference. In the early summer of 1870, when the Reverend William D. Slease came to the YMCA meeting he learned there was no Methodist Church in the vicinity. Before leaving he arranged to preach Sabbath afternoons in a Grist Mill. By late autumn the First Methodist Church was organized in Turtle Creek with eight members. When the erection of a church building was considered, Captain McMasters, an influential land owner, gave the lot for the building of a \$7,000 frame church, completed and dedicated on February 10, 1872. The Church was made a Station appointment and Reverend William D. Slease was named the first pastor in 1872. At the pastor's suggestion, the church was named and chartered "The McMasters Methodist Episcopal Church of Turtle Creek." Under the leadership of the Reverend Burr R. McKnight the second building was completed and dedicated December 17, 1911. The congregation and minister, Reverend Howard Weston Jamison

The new church structure, valued at over one half million dollars, was dedicated Sunday, December 11, 1960. The membership on January 1, 2003 was 451. History: Methodist Episcopal – Pittsburgh Conference. Founded in the spring of 1887 during a period of religious fervor in the area. Persons of Elrod, as the town was then known, met in the larger homes for worship and study. Under Reverend Thomas Newton Boyle, pastor of the McKeesport: First Church, a new church building was dedicated on November 5, 1887, for the costs of \$1100, with most labor and materials donated. There were 22 charter members of the First Methodist Episcopal Church of Elrod. In 1904, the name was changed unofficially to Versailles Methodist Episcopal Church, although the charter was not revised until 1947. Church membership grew during revivals preached by Billy Sunday, and a Men's Personal Workers League founded by Sunday's preaching continued until 1964. In 1914 the brick church was erected, and the old church building was later used as a fire hall for the borough. From 1908 to 1923 the church was linked with Christy Park, and since 1923 was a Station appointment. In 2002 McKeesport: Wesley and Versailles became a two point Charge. The membership on January 1, 2003 was 150. Transferred from Pittsburgh East District in 2004. **Versailles closed in 2004 and records went to McKeesport: Wesley Church.**

They were James McGrew and wife, Jacob Longenecker and wife, Matthew Carter and wife, David Banford and wife, James Hibben, Hannah Hibben and Sarah Lamb. Preaching first began in the community's "Little Round Schoolhouse". The first church was a brick structure erected in 1840. This was replaced by a brick structure, which was dedicated in 1883. It was named the Snyder Chapel after its chief benefactor, John L. Snyder. In 1906 the name was changed to The First Methodist Church of West Newton. The church was affiliated with various circuits until 1882 when it became a station appointment. A ten-room house next door to the church building was purchased in 1961 to increase the space for the teaching mission of the Church. It is known as Wesley Hall. This was the home church of Dr. Daniel L. Marsh, the late President and Chancellor of Boston University. The membership in 1968 was 377. The membership on January 1, 2003 was 275.

History: United Brethren – Allegheny Conference. The Youngwood Church is the product of the interest of the Greensburg: Otterbein Church which in 1900 became interested in the growing railroad town of Youngwood and decided to plant a Mission Church. In 1902 the Annual Conference placed it under the Greensburg Quarterly Conference and this Church supplied what preaching it received until Reverend N. E. Sininger was appointed pastor in 1903. Originally located at the corner of Deport and Fifth Streets, it was organized in April 1903 with 16 charter members. The first Church on North Third Street was dedicated September 13, 1903 by Dr. S. W. Keister. During the pastorate of Reverend E. G. Sawyer a parsonage was built and the church enlarged. Under Reverend John Watson the new location on Fifth Street was secured, plans drawn and the first unit, the Sunday School Department was erected in 1921. The educational unit was dedicated December 11, 1921. The auditorium was added, and the building completed and dedicated by Dr. J. S. Fulton March 28, 1926 under the pastorate of Reverend Mead M. Snyder. At the merger in 1968 the name was changed to Youngwood: Christ. Later the building was condemned and the congregation built the beautiful large church, with spacious social rooms and classrooms, on the hill at 100 Lincoln Avenue. The membership in 1970 was 679 members. The membership on January 1, 2003 was 559.
